

Planned public consultations for 2023

EIOPA regularly consults stakeholders on different activities such as technical standards, guidelines, or other tools under its remit. The overview of public consultation should help stakeholders to have an insight into the planning.

Topic	Planned publication
Review of SFDR Delegated Regulation (PAI indicators)	April
Amendments to draft ITSs on ECAIs' mapping under CRR and Solvency II	Q2
Opinion on captives supervision	July
Open Insurance use case for consultation	July
Supervisory statement on best practices on supervision of reinsurance with third country reinsurers	July
Prudential treatment of sustainability risks	July

The table is updated regularly.
