NOTES ON COMPLETION OF FORM B10a

These notes should
be read in conjunction with the relevant legislation.

- General** This form must be completed correctly, in full and in accordance with the following notes. Every section of the form must be completed. Where "not applicable", "nil" or "none" is appropriate, please state. Where the space provided on Form B10a is considered inadequate, the information should be presented on a continuation sheet in the same format as the relevant section in the form. The use of a continuation sheet must be so indicated in the relevant section. Where another Form B10a is used as a continuation sheet, it ought not to be completed in full and certified as to do so will result in it being treated as a separate form and incurring a separate filing fee. It should be headed "Continuation Sheet".
- note one** Give details of the name/residential address change and specify date when same took effect. The other companies whose records will be updated by the registration of the form B10a should be indicated on this form.
- note two** This form **must** be certified by the director of the company whose information is being updated. It cannot be signed by any other individual.
- note three** A director shall include his or her personal public service number (PPSN) (or, in any case where the director does not have a PPSN, such other information concerning the identity of the director as stands determined by the Registrar for the purposes of this section). The PPSN and the name registered with the Department of Social Protection will not form part of the company record and will not be made available to the public. The Identified Person Number (IPN) is used for the purpose of verification of a person's identity where the director does not have an Irish PPS number assigned to them. It can be obtained by submitting Form VIF on CORE.
