## Domestic

### **Macroprudential framework for Irish authorised GBP-denominated liability driven investment (LDI) funds**

The Central Bank of Ireland introduced a new macroprudential framework for Irish authorised GBP-denominated LDI funds with a three-month implementation period for funds in existence on 29 April 2024 which ends 29 July 2024.

## European

### **ESA's final report on greenwashing**

The European Supervisory Authorities (**ESAs**) published their respective final reports on greenwashing in the financial services sector. This follows the European Commission's request for input on greenwashing risks and the supervision of sustainable finance policies.

### **ESA opinion on improvements to SFDR**

The ESAs published a joint opinion on the assessment of the Sustainable Finance Disclosure Regulation.

### **EBA / ESMA discussion paper on the investment firms' prudential framework**

The European Banking Authority and the European Securities and Markets Authority published a discussion paper on the potential review of the investment firms' prudential framework to gather feedback to inform a response to a European Commission's call for advice on the topic. The discussion paper is open for response until 30 August 2024.
