Total number of Authorised Payment Institutions : 11

Article 4(4) of Directive 2007/64/EC - Definition of Payment Institution:

"payment institution" means a legal person that has been granted authorisation in accordance with Article 10 to provide and execute payment services throughout the Community;

Article 4(29) of Directive 2007/64/EC - Definition of Branch:

"branch" means a place of business other than the head office which is a part of a payment institution, which has no legal personality and which carries out directly some or all of the transactions inherent in the business of a payment institution; all the places of business set up in the same Member State by a payment institution with a head office in another Member State shall be regarded as a single branch;

Article 4(22) of Directive 2007/64/EC - Definition of Agent:

"agent" means a natural or legal person which acts on behalf of a payment institution in providing payment services;

Article 4(3) of Directive 2007/64/EC - Definition of Payment Services:

"payment service" means any business activity listed in the Annex.

The Annex is as follows:

Payment Services:

1. Services enabling cash to be placed on a payment account as well as all the operations required for operating a payment account.
2. Services enabling cash withdrawals from a payment account as well as all the operations required for operating a payment account
- 3 (a). Execution of payment transactions, including transfers of funds on a payment account with the user's payment service provider or with another payment service provider: a) execution of direct debits, including one-off direct debits.
- 3 (b). Execution of payment transactions through a payment card or similar device.
- 3 (c). Execution of credit transfers, including standing orders.
- 4 (a). Execution of payment transactions where the funds are covered by a credit line for a payment service user: a) execution of direct debits, including one-off direct debits.
- 4 (b). Execution of payment transactions through a payment card or similar device.
- 4 (c). Execution of credit transfers, including standing orders.
5. Issuing and/or acquiring of payment transactions.
6. Money Remittance.
7. Execution of payment transactions where the consent of the payer to execute a payment transaction is given by means of any telecommunication, digital or IT device and the payment is made to the telecommunication, IT system or network operator, acting only as an intermediary between the payment service user and the supplier of the goods and services.
